

COACHING JUNIORS CAN YOU HELP?

NO QUALIFICATIONS NEEDED, **JUST EXPERIENCE!**

What is the Angling Coaching Initiative?

We provide coaching primarily aimed at 8-16 year olds but on occasion we take on some parents and guardians too. No qualifications necessary, just experience and a great love for fishing. This is an opportunity to keep the sport of fishing alive by inspiring the younger generations!

The **Angling Coaching Initiative** need to secure volunteers well in advance at the start of the 2022 season to plan events, so be sure to get in touch as soon as possible.

High demand means we need more coaches. Even a few days of voluntary work over a season, passing on experience and knowledge can make a huge difference to our efforts.
